

The Best of Connecticut

“Exploring our state one step at a time!”

When was the last time that you intentionally scheduled time to get together with great company for a relaxing excursion? Even Jesus encouraged his disciples to come aside and rest a while. Spend four weekends exploring the top places of interest in the state with knowledgeable and passionate guides. Note: excursions are priced according to venue. Meet great people, have fun, and enjoy the great summer weather. Cost \$30. First meeting June 11, 2011 at 10:00 am. Orientation and scheduling.

*Cruise down river

*Go Hiking

*Enjoy a Play

Painting with Passion

“Capturing beauty in oil!”

Care to learn how to paint like a master? This course teaches the beginning students how to master the art of oil painting. In this course students will learn how to create pictures using oil painting techniques. Painting is a skill not a talent. It is like learning to write. We all learned in school how to write all the letters in the alphabet but no one's handwriting is the same. Cost \$60

Saturday 10:00-11:30 am

Instructor Minister Claire Johnston
